Cards Life Has Dealt Us:

GENERAL COMMUNITY

<p>1. You have been steadily promoted and building a career at the same company for 10 years. You just learned from the CEO that the company has quietly completed a transaction to outsource your entire department.</p>	<p>2. Your baby girl was found in her crib dead. The doctor diagnosed it as SIDS (Sudden Infant Death Syndrome).</p>
<p>3. Due to a volatile stock market, you learn you have lost nearly your entire savings of 35 years.</p>	<p>4. You are a 20-year-old who does not believe in war. You have stated your position as a CO (Conscientious Objector) to the government. You now receive a letter informing you that you have been drafted and are to report for duty in one month.</p>
<p>5. You are a parent of three young children. A known sex offender has just moved onto your street.</p>	<p>6. You have just returned to the community after serving 10 years in state prison for a sex offense. You filled out nearly 50 applications for housing before finding your current home. Your criminal history has now come to the attention of a handful of neighbors. Even though you have a legal right to live here, they have asked you to leave, hinting that they will "make life miserable" if you don't.</p>
